Meet the Teacher

Ms. Shields

1st Grade

About me:

Hi, my name is Dee Shields and I am excited to be working with you and your child this year. This will be my 15th year teaching at Milwood. My passion is reading, so I hope to get your child hooked on books. I am a graduate of both Grand Valley State and Western Michigan University. I have four kids, two of which are attending MSU, and three grandchildren. My belief is it takes a village, so I cannot wait to be a part of your village.
