

KPS Teach Kalamazoo & Future Teacher Scholars Pathways

Students have the option of working as an apprentice, sub teacher, intern, or paraprofessional in a KPS classroom.

Students also can work in the KPS summer school program

Teacher Academy Plan A (Pursuing Early Ele.)	Teacher Academy Plan B (Not Pursuing Early Ele.)	Future Teacher Scholar Program	Career Launch Kalamazoo	Early Middle College	Traditional Path
<ol style="list-style-type: none"> 1. Student takes high school teaching course 10th grade or not 2. Student goes into the Teacher Academy 11th and 12th grade 3 Student apprentices (or interns) 11th and/or 12th in KPS classrooms to earn hours while in high school 4. Student earns CDA certification - can work in preschool, etc. 5. Student continues at KVCC after high school graduation and transfers to WMU for teaching degree 	<ol style="list-style-type: none"> 1. Student takes high school teaching course 10th grade or not 2. Student goes into the Teacher Academy 11th and duals enrolls their 12th grade year 3. Student apprentices (or interns) 11th and/or 12th in KPS classrooms to earn hours while in high school 4. Student does not want to earn CDA certification - interested in elementary or secondary education 5. Student continues at KVCC after high school graduation and transfers to WMU for teaching degree 	<ol style="list-style-type: none"> 1. Student takes high school teaching course 10th grade <i>(required)</i> 1. Student goes into the Teacher Academy 11th and 12th grades 1. Student choose Teacher Academy Plan A or B 1. Student works as an apprentice 11th and/or 12th grades depending on Teacher Academy Plan 1. Student continues at KVCC after high school graduation and transfers to WMU for teaching degree 	<ol style="list-style-type: none"> 1. Student takes high school teaching course 10th grade or not 1. Student dual enrolls in Teaching Path through CLK at KVCC 1. Student works as an apprentice 11th and/or 12th grades 1. Student continues at KVCC after high school graduation and transfers to WMU for teaching degree 	<ol style="list-style-type: none"> 1. Student takes high school teaching course 10th grade or not 2. Student dual enrolls in Teaching Path through EMC at KVCC 3. Student works as an apprentice in KPS classrooms 11th and/or 12th grades through CLK. 4. Student attends KVCC after high school graduation and then transfers to WMU for teaching degree 	<ul style="list-style-type: none"> • Student by-passes all programs and pursue a teaching pathway starting at KVCC or WMU.
